

THE 'EDGE' Core Team

The 'EDGE' ministry works because of a very dedicated group of people called the "Core Team." These Core members are Catholic adults, not always parents, who give their time, talents and energy to minister to our middle school youth here at St. Michael's.

They are at the very center of the ministry and are the heart and soul of the 'EDGE' program, retreats and other activities, hence, the name "core." Core members plan and execute the 'EDGE' Nights and retreats and are present as a consistent example of love, support and Catholic faith to our youth.

If you are interested in learning more about being a core member and the 'EDGE' program, please fill out the bottom of this sheet and turn it in to the 'EDGE' mailbox.

Or for more information, please contact Lisa Gonzales in the 'EDGE' office,
972-279-6581 ext 11 or lisa.gonzales56@sbcglobal.net

Filling out this form does not commit you to being on the core team, but it will show that you have an interest in learning more about this aspect of the ministry. We will discern from there. This is just the first step ☺

Don't be shy or worried that you're not qualified – everyone brings something unique with them to share with our middle school youth!
